GIN & TONIC

The G&T was born out of an urge to make quinine-rich & harsh tonic water more appealing. Since then, the G&T has grown in popularity since many people love the mixture for its crispness and diminished richness. With G&T experiencing a modern revival, there has never been such an ideal moment to be a G&T lover or simply passionate about this magnificent drink.

TEA

DILMAH SILVER JUBILEE

HOT ICED

Ceylon Original Breakfast Tea

An intense, majestic and perfectly rounded morning tea. Grown in Dimbula Valley, the BOP leaf produces a burgundy liquor that offers body, strength, colour, and pungency representative of a fine Ceylon Tea.

10 11

Silver Jubilee Earl Grey Tea

Full-bodied Ceylon single-region BOP fused with natural bergamot. A mahogany infusion produces a lingering floral aroma. Notes of citrus, jasmine, and orange produce an elegantly balanced Earl Grey Tea.

Pure Chamomile Flowers

Made with chamomile flowers, this is an elegant and mild infusion. Notes of apple, herb, hay, and honey create a bouquet of gentle flavours that makes this a perfect naturally caffeine-free evening brew.

Ceylon Ginger Honey & Mint

High elevation single-region tea with a deliciously warming, ginger influenced fragrance that leads into a balanced blend of natural honey, ginger and lingering mint. A vivacious tea that invigorates.

Moroccan Mint Green Tea

This aromatic blend of young Hyson green tea and peppermint leaves is naturally uplifting. The olive leaves unfurl dramatically when infused to produce a medium strength liquor, perfect as an after dinner digestif.

Ceylon Full Leaf Green Tea

A fragrant, lightly piquant tea that evolves with grassy, herbal notes and a hint of fruit and citrus. This is a palate cleansing, medium-strength green tea, that is the perfect accompaniment to fine dining.
